STONEWALL

STONEWALL COMMUNITY FOUNDATION is the public charity for lesbian, gay, bisexual and transgender (LGBTQ) New York. Our mission is to promote the well-being of LGBTQ individuals and strengthen the LGBTQ community. We do this by increasing resources; targeting those resources strategically to areas of greatest need; and serving as a catalyst and clearinghouse for ideas and solutions.

Gifts to Stonewall are multiplied four-fold as we incubate emerging LGBTQ organizations through grantmaking, training and skills development, technical assistance and networking opportunities.

Since inception in 1990, the Foundation has awarded more than \$14 million in grants to more than 400 organizations.
